Based out of Pensacola, FL, **Rumor Mill** has become one of the South East's most popular and respected party bands since they popped onto the scene, 2 years ago. The band has developed a reputation for their versatile show that always includes crowd participation and a great stage performance. Because of their ability to captivate a crowd, the band is consistently re-booked in every venue they have performed! Their ability to cover any genre of popular music, from funk to rap, rock to pop, and heavy modern rock makes their show unmatched by most.

Rumor Mill has the ability to truly capture the essence of the 80s as well, which attracts 100s of fans on a weekly basis. Lead vocalist Jon Maddox leads the band with powerful vocals, great stage presence and always gives the crowd what they came looking for. Guitarist Ricky Fortag and bassist Jerry Vinci create a great one two punch that always captivates a crowd. Drummer Mikey Rhatigan holds down a diverse and versatile rhythm section which drives the band and motivates the crowd to stay on their feet until the very last song.

Rumor Mill is constantly redefining what it means to be a party band and can put on an appropriate show **no matter what the venue or client requires**. From all age shows, to the most serious rock venue, **Rumor Mill** can do it all! Currently the band is expanding its venue list to include other popular areas all over the southeast such as Pensacola, Panama City, Fort Walton Beach, Destin, Mobile, Montgomery, Biloxi, Gulf Shores, Prattville, Birmingham, Columbus, GA, New Orleans, Key West, FL and many more. **Rumor Mill** has shared the stage with such acts as National Recording Artists LIT, The Black Crowes, Cheap Trick, The Human League, Cowboy Mouth, Brother Cane, and Dash Rip Rock. They have also shared the stage with regional acts such as The Molly Ringwalds, and The Velcro Pygmies.
